Department of Surgery

## Surgery Grand Rounds

January 9<sup>th</sup>, 2024 | 8AM – 9AM  
Alumni Auditorium & [Zoom](#)

### *Issues with Providing Quality Surgical Care in the Incarcerated Patient*

Cassandra White, MD  
Associate Professor  
Associate Chair of Quality  
Department of Surgery, Division of Acute Care  
Surgery

#### Learning Objectives

**Upon completion of this activity, participants should be able to:**

1. Summarize the history and development of the prison system in the United States.
2. Describe how healthcare delivery in the United States can impact the management of this patient population.
3. Discuss the potential effect of bias on caring for the incarcerated patient.
4. Detect potential opportunities for improvement in caring for this patient population at your facility.

#### **Disclosure**

Dr. White has disclosed that she has no relevant financial relationships. No one else in a position to control content has any financial relationships to disclose. Conflict of interest information for the CME Advisory Committee members can be found on the following website: <https://cme.ufl.edu/disclosure/>. All relevant financial relationships have been mitigated.

#### **Accreditation**

The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

#### **Credit**

The University of Florida College of Medicine designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
